

## DOCTOR'S ORDER WAS: 'CUTICURA'

For a Bad Case of Eczema on Child  
—Suffered for Three Months—  
Disease Reached a Fearful State  
—Pain and Itching were Terrible.

## CURED AFTER OTHER PRESCRIPTIONS FAILED

"When I was small I was troubled with eczema for about three months. It was all over my face and covered nearly all of my head. It reached such a state that it was just a large scab all over, and the pain and itching were terrible. I doctored with an able physician for some time and was then advised by him to use the Cuticura Remedies which I did and I was entirely cured. I have not been bothered with it since. I used Cuticura Soap and Cuticura Ointment but do not know exactly how much was used to complete the cure. I can safely say that Cuticura did a lot for me. Miss Anabel Wilson, North Branch, Mich., Oct. 20, 1907."

## ITCHING CURED

With Cuticura Remedies in  
Three Days After Six  
Months of Suffering.

"I suffered fully six months. The trouble began on my arms in little red pimples and it was not long before it was all over my body, limbs, face, and hands. It was so bad that I could not rest night or day and during the six months, I did not get a good night's sleep. I doctored for three or four months and spent at least twenty dollars trying to find a cure but none could be found. Then I saw the Cuticura Remedies advertised, and the next day I purchased some for seventy-five cents at the drugist's. I used them and I was relieved of the itching in three days, and I have never had a sign of any skin disease since. The Cuticura Remedies are the only remedies to use for skin diseases, they have cured me and they will cure others in the same way. J. W. Bloom, R. R. Telegrapher, Holloway, Mich., Nov. 20 and Dec. 29, 1906."

## CHAS. A. QUIGLEY RETURNS

Commercial Club Matters Delayed by  
His Absence Will Be Taken  
Up at Once.

As Charles A. Quigley has returned from San Francisco, several important matters are to be taken up at the Commercial club.

At an early meeting of the board of governors, the committee on building and the committee on finance, the plans for the new Commercial Club building will be selected. Two sets of plans for the structure have been submitted, one by Henry Ives Cobb, the New York architect, and the other by Ware & Treganza, Salt Lake architects.

Members of the club, who are anxious to see work commence upon the new home of the organization, are impatiently awaiting the selection of the plans. The committee appointed by President W. J. Halloran to prepare a plan for the establishing of a Commercial club freight bureau is also to be called together within a few days. Mr. Quigley is chairman of the committee and it was because of his absence that the other members have not taken up the problem.

If you will make inquiry it will be a revelation to you how many succumb to kidney or bladder troubles. Meek form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure it. It never disappoints. F. J. Hill Drug Co., "The Never Substitutors."
